JOB POSTING: BULLBUCKER

- 1 POSITION AVAILABLE
- MUST BE FULLY QUALIFIED WITH A MINIMUM OF 10 YEARS COASTAL EXPERIENCE
- HOURLY USW UNION POSITION
- COMPREHENSIVE BENEFIT PACKAGE
- GEOGRAPHICAL LOCATION OF JOB: FRANKLIN DIVISION

- **Specific Skills Required**

The applicant must have a strong safety and environmental focus, a valid driver's licence, Level 1 First Aid and good knowledge of Coastal species and processing for log grades. Experience falling old growth is necessary. Experience working in a heli-logging setting is necessary.

Reporting to the Senior Operations Manager, you will have the lead role in supervising Company fallers. You are a highly motivated individual who recognizes the value of a team-oriented approach in the performance of this challenging position. You bring to this job an excellent safety record, a good working knowledge of applicable occupational health and safety regulations, and a willingness to work with Western Forest Products in reaching its safety and production objectives. You hold a BCFSC Bullbucker Certification and have at least 5 years supervisory experience leading falling crews in a unionized environment.

- **WILLING TO WORK LONGER DAYS WHEN REQUIRED**
- **QUALIFIED APPLICANTS SHOULD APPLY WITHIN**
- **JOB POSTING CLOSES OCTOBER 22nd 2021**
